GRAND HOTEL SAN MARINO
Viale Antonio Onofri, 31
47890 San Marino Città

The structure covers **5 floors** connected by two lifts, from the basement floor (-1) to the 3rd floor (79x96x138cm and 80x106x137cm), with visual signal upon arrival at each floor and Braille internal pushbutton control. To reach the 4th floor there is a staircase of 11 steps of 17cm each.

The wide entrance has a central revolving door and a side door, both with a 2.5cm high threshold.

Outside there is a bell (not signposted) at 131cm from the ground.

On the ground floor, each room is connected by unimpeded ways: the reception, with a 115cm high desk, the **bar**, with a 113cm high counter and furnished with square tables having a central leg and 73cm of space underneath, and the **large restaurant & breakfast room** furnished with square tables with side legs and round tables with a central leg and 70cm of space underneath. The breakfast buffet is placed at a height ranging from 76 to 126cm.

Upon previous request, the cook can prepare specific menus for celiac people, children, people on a diet, vegetarians and intolerants.

The restaurant is also open to clients who are not accommodated at the hotel. The entrance is on the right of the revolving door. The restaurant has a hinged door with a 2.5cm high threshold.

On the same floor is the **Fireplace Room**, which can seat from 30 to 200 people, equipped with a video-projector, a screen, speakers and microphones.

On the basement floor (-1), there is an indoor garage for a fee closed by a bar. Your car will be parked by the personnel of the hotel and you will find the keys at the Reception. Opposite the hotel, there is an accessible public car park for a fee with a lot reserved for the holders of a specific permit the same as at public car park No.5.

On the basement floor (-1) there are also a **Yoga Room**, with a parquet floor and massage tables, and the **Guaita Room** with a carpet floor, which can seat up to 120 people.

The hotel has **61 rooms, seven of which are accessible and on the first floor.** Rooms 110, 111, 112, 113, 114, 115 are double rooms with 58cm high moving beds which can be approached from either side, while room No.116 is a triple room. The toilets of rooms 110, 111 and 112, with a 70cm wide entrance, have wall-mounted 47cm high WCs with a front opening. Front or right access. Equipped with bathtubs.
